Schedule

Welcome to Life Groups 2020!! I am so glad that you would take the time to explore this year's schedule. We have made a strategic attempt to make our life groups inviting and relevant for the needs of our members and community at large. It is our desire that you will engage in as many life group opportunities as possible and that you would share these with a friend. Remember, our life groups are open to both members and non-members, so take full advantage of this golden opportunity. Once again, our life groups platform comes with the incentive of earning your KCC Life Skills Navigation Certificate. This is one way of being able to say that you have paid special attention to your comprehensive growth as a Christian. Additionally, we have an exciting new initiative to announce on page 5. More Believers need to be attentive to the progressive living that Jesus came to give us. Jesus was clear when He said that He came that we might have "life and have it more abundantly" (John 10:10). The life groups at KCC will size you for life in the overflow in every corridor of living. I am confident you will enjoy what we have to offer. I encourage you to register and participate with joy!

Warmest Regards,

Gabriel Rogers, PhD

The Life Group Philosophy at Kingdom Christian Church (KCC)

Kingdom Christian Church (KCC) is a ministry that believes in ministering to the total man. KCC continues to accomplish this by applying a concept known as Comprehensive Christianity; this is a term coined by our Pastor that focuses on making sure Believers are successful in every area of life. Believers should be on top in their Spiritual Health, Emotional Health, Finances, Family and ideas about advancing the Kingdom of God.

Any member of KCC who attends a life group in all four domains will receive a Certificate of Navigation at the end of 2020, indicating they have done so and a chance to win a \$500 gift card. (Note: Life groups are open to the community; however, entering into the drawing for the \$500 gift certificate is for members only)

**NOTE: LIFE GROUPS ARE OPEN TO THE COMMUNITY;
HOWEVER, ENTERING INTO THE DRAWING FOR

New Initiative

KINGDOM VIRTUAL LIFE GROUPS

The Kingdom Life Virtual Group is an exciting new platform offered by Kingdom Christian Church that allows individuals to attend Life Groups from other settings. In a time of information technology and fast paced living, this medium allows participants who may live locally to attend a group. In some cases, the Kingdom Life Virtual Group platform is used to make a group “Hybrid”. Hybrid groups are a combination of in person instruction and at home interactions. For example, the budgeting group may meet in person for week one, but then participants may sign in from home during week two for instruction via their laptop or other computer tools. This is an exciting new initiative and we are sure that this will provide you with greater tools and accessibility for growth and interactions, even when being present is not an option.
